Hi Jack, great. Let me know if you need any of the health information we discussed last week. I have copied Todd Downham. He is the ODEQ project manager.

Attached are the directions to the site. Our trailers are in the church parking lot. We will be there all day, starting on Monday. Just go to the trailer and someone will assist. Not sure where we will be throughout the day, and they can get in touch with us when you arrive.

The address for the library is

Bristow Public Library

111 West 7th Street

Bristow, Oklahoma 74010

Katrina,

My travel to the Wilcox Oil Company has been approved to visit the site and attend the availability meeting on Nov. 2.

What would be convenient time on Thursday for me to meet up with you for an overview and tour of the site?

Also, where is the EPA trailer located? What is the street address?

Jack
